June 7, 2022, Statewide Direct Primary Election Update – Living Location/Address Confirmation Postcard

Woodland, CA – The Yolo County Elections Office is mailing all active and inactive registered voters a Living Location/Address Confirmation postcard today, Friday, March 11, 2022 for the upcoming, June 7, 2022, Statewide Direct Primary Election. Voters are asked to carefully review the information and confirm that it is correct to ensure our records are up to date and you receive all important election mail. If you receive a postcard at your living location/address or mailing address for someone who does not live or share the same mailing address, please follow the appropriate scenario guidelines. After filling out the required information, sign the postcard and return it promptly (return postage is paid). Failure to return the card will not affect your voter record or the ability to receive a vote by mail ballot if you are an active voter and your voter information is correct. Below is an image of the postcard:

Voting in 2022

ALL REGISTERED VOTERS WILL RECEIVE A VOTE-BY-MAIL BALLOT

Yolo County Elections is fully transitioning to the Voter's Choice Act model for the June 7, 2022 election.

The purpose of this postcard is to confirm your living location and mailing address to ensure accuracy when mailing your vote-by-mail ballot and other voting materials. In addition, please use this postcard to notify our office of voters who no longer live at your address or no longer share your mailing address.

There are four scenarios:

1. If the living location and mailing address are correct, check the appropriate box, sign, and return this card. Failure to return the card will not affect your voter record or ability to receive a vote-by-mail ballot.
2. If you received this postcard for a voter who no longer lives at your address/location, check the appropriate box, sign, and return this card. Failure to return the card will result in you receiving voting materials for this voter.
3. If you received this postcard for a voter who no longer shares your mailing address, check the appropriate box, sign, and return this card. Failure to return the card will result in you receiving voting materials for this voter.
4. If the living location and/or mailing address are not correct, check the appropriate box and provide the correct information to update your voter record. Sign and return this card. Failure to return the card with the updated information may result in you not receiving your voting materials.
